Students will compete in teams of four. Each student needs to sign up individually. During sign up, you will be asked to list your other team members. If you do not have a team, you will be assigned to a team. For registration, each student will need to include a parent's name and email address. Parents are asked to check in students at the training center 10-15 minutes prior to the start of the event. Parents are invited back for the last 15 minutes of the event for the high school gifted panel.

Space is limited and will be filled on a first-come, first-served basis.
