Guaranteed and Viable Curriculum

- No matter who teaches a given course, we guarantee that topics identified in the curriculum will be covered in every class.
- Every student, in every class, every day, will be taught the same essential knowledge and skills.

Professional Learning Communities

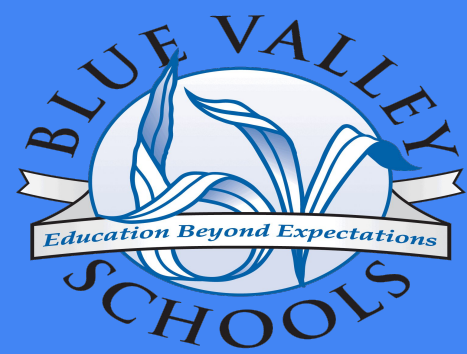

A collaborative culture: A systematic process in which teachers work together interdependently to achieve common goals linked to the purpose of learning for all.

1. focus on learning rather than teaching
2. work collaboratively on matters related to learning
3. hold itself accountable for the kind of results that fuel continual improvement

A PLC should challenge one another, encourage each other, holding each other accountable. (Trust)

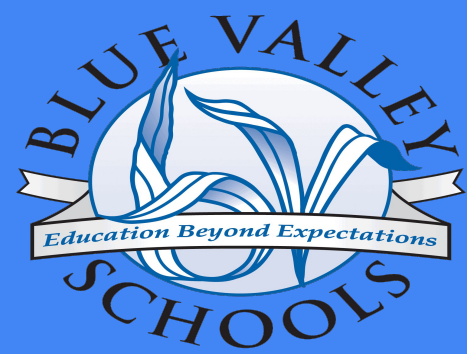

Students

Get Involved! This message is delivered from all of our high schools prior to students walking through the doors as a 9th grader.

75-85% of Blue Valley Students participate in a school activity or club.

Social Emotional Learning

SEL is the process we go through to become aware of our own cognitive, social & emotional knowledge, attitudes, and skills that allow us to model, teach & reflect with others about LEARNING & LIFE.

SEL Examples

- Relationship Skills: listen well
- Social Awareness: diverse backgrounds and cultures. Perspectives, biases, acceptance, advocacy
- Self-Awareness: strengths & limitations and growth mindset

Social Workers in all of our high schools.
