What past Participants Have Said:

- “The class and book have been a lifesaver! I can’t say enough good about them and feel that every parent should have the opportunity to be in a gifted parent discussion group!”
- “I do not feel as alone now.”
- “I came into this class a little nervous and wondering what I would learn, just like everyone else. I’m leaving it knowing that I have made some good friendships and have gained a lot of knowledge about myself, my child, and how he perceives the world.”
- “My child’s a happier child, my family a healthier family, and I’m a better person as a result of the group. Thank you!”
